| <b>Sunday, 20 May 2012</b>    |          |                      |                                                     |                              |
| 13:00                         | 18:00    | Camellia             | ISCAS Steering Committee Meeting                    | Intercontinental Grand Seoul |
| 18:30                         |          | Grand Ballroom 1-5   | ISCAS Welcome Reception                             | COEX Convention Center       |
| <b>Monday, 21 May 2012</b>    |          |                      |                                                     |                              |
| 10:00                         | 12:00    | 317A                 | T-CSVT Editorial Board                              | COEX Convention Center       |
| 12:10                         | 13:15    | 318A                 | Visual Signal Processing & Communications TC        | COEX Convention Center       |
| 12:10                         | 13:15    | 317B                 | Neural Systems & Applications TC                    | COEX Convention Center       |
| 12:10                         | 13:15    | 311                  | Lifescience Systems & Applications TC               | COEX Convention Center       |
| 12:10                         | 13:15    | 318C                 | Analog Signal Processing TC                         | COEX Convention Center       |
| 12:10                         | 13:15    | 310                  | Power and Energy Circuits and Systems TC            | COEX Convention Center       |
| 12:10                         | 13:15    | 317C                 | VLSI Systems & Applications TC                      | COEX Convention Center       |
| 17:30                         | 18:30    | 317C                 | Sensory Systems TC                                  | COEX Convention Center       |
| 17:30                         | 18:30    | 318B                 | Regional and Membership Activities Division Meeting | COEX Convention Center       |
| 17:30                         | 18:30    | 317A                 | ISCAS 2013 Organizing Committee                     | COEX Convention Center       |
| 19:00                         |          |                      | WiCAS/GOLD Dinner                                   | Diamant                      |
| <b>Tuesday, 22 May 2012</b>   |          |                      |                                                     |                              |
| 13:10                         | 14:15    | 318B                 | CAS Education and Outreach TC                       | COEX Convention Center       |
| 13:10                         | 14:15    | 317AB                | Multimedia Systems & Applications TC                | COEX Convention Center       |
| 13:10                         | 14:15    | 318C                 | Cellular Neural Networks & Array Computing TC       | COEX Convention Center       |
| 13:10                         | 14:15    | 317C                 | Biomedical Circuits & Systems TC                    | COEX Convention Center       |
| 13:10                         | 14:15    | 318A                 | Nanoelectronics and Gigascale Systems TC            | COEX Convention Center       |
| 17:00                         | 18:30    | 318C                 | T-CAS II Editorial Board                            | COEX Convention Center       |
| 18:30                         |          | Grand Ballroom 1-5   | ISCAS Award Banquet                                 | COEX Convention Center       |
| <b>Wednesday, 23 May 2012</b> |          |                      |                                                     |                              |
| 8:00                          | 13:00    | 310                  | TC Review Committee Meeting                         | COEX Convention Center       |
| 13:10                         | 14:15    | 317A                 | Circuits & Systems For Communications TC            | COEX Convention Center       |
| 13:10                         | 14:15    | 317B                 | Digital Signal Processing TC                        | COEX Convention Center       |
| 13:10                         | 14:15    | 317C                 | TBioCAS Editorial Meeting                           | COEX Convention Center       |
| 13:10                         | 14:15    | 318A                 | ISCAS 2014 Organizing Committee                     | COEX Convention Center       |
| 13:10                         | 14:15    | 318 B                | Nonlinear Circuits and Systems TC                   | COEX Convention Center       |
| 13:10                         | 14:15    | 318C                 | WiCAS Strategy Meeting                              | COEX Convention Center       |
| 16:00                         | 18:00    | 318B                 | Tech Act Division & Tech Cmte Chairs Mtg.           | COEX Convention Center       |
| 18:00                         |          |                      | ISCAS Farewell Reception                            | National Museum of Korea     |
